2018 AUSTRALIAN ENERGY REVIEW WALL PLANNER

THE AUSTRALIAN ENERGY REVIEW

OIL – GAS – ELECTRICITY – RENEWABLES

2018 AUSTRALIAN ENERGY REVIEW WALL PLANNER

A very useful and versatile product widely used by all participants in the Australian energy industry to notate their important activities for the entire year. G.M's, fly-in fly-out shifts, maintenance shutdowns, holidays, and even personal appointments such as the dentist or doctor. Produced in FULL COLOUR and printed on top quality paper, the wall planner (841mm x 594mm), can promote 19 companies and will be distributed free of charge in the January issue of *The Australian Energy Review.*
